

Instructions

Each of the QR codes will take you to a revision activity. Just scan the code and then download the sheet.

There are 7 activity types:

- 10 quick questions
- Summary Sheet
- 10 mark Question
- 20 mark Question
- 10 Marks with Item
- Chain of Reasoning sheet
- Revision Clocks

10 and 20 mark questions can be used for timed practice or planning practice

Planning sheets are downloadable here:

You should try and complete as much of the task as you can without using your notes first and then fill in the gaps with notes and support.
